**DOG OF THE MONTH**  
Staffordshire Bull Terrier: JD

## This Month's Dog of the Month is JD

JD & Lexi having a cuddle.

JD is a 6 year old Staffordshire Bull Terrier (pictured above) who first came to stay in November and Lexi (my puppy) and him hit it off straight away. It's fair to say it was love at first sight. JD is a lovely character he loves to play and loves to be cuddled. JD & Lexi spent all their time playing so much so I

had to separate them to eat and sleep so they would have some rest. He is a pleasure to have stayed with us our first and only home board due to my daughter. He came again at the end of November too for one night whilst his Mummy and Daddy were at a Christmas Meal- we had a lovely long walk through the woods, Lexi and JD chasing each other.

## Homemade Dog Treats

As most of you know now, I have taken over the Dog treat making from Pretty Paws & Classy Claws. These treats are all homemade by my fair hands. All treats are made from good ingredients and I only use fresh meat and veg. They can be frozen so you can buy in bulk. All made to order.

# Pet Sitting Over Christmas

Cheeky Max after a long walk.

As some of you many know I am staying behind this Christmas to sit some of your lovely pets.

- ♥ I have Guinness the Cat while his parents return to their home for Christmas.
- ♥ Dimple the Rabbit
- ♥ Poppy (Deaf Dalmatian) while her parents visit family and friends in Germany.
- ♥ Jess & Brad and their Canine friend on Boxing Day!

Hope you all have a fab Christmas and I will see you all in the New Year!

Look out for Pictures on Januarys Edition.

## Pet Microchipping

On 30<sup>th</sup> November I completed my Pet Microchipping Course with Petlog in Exeter taking Staffy Puppy, Mollie and cats, Giz and Titch.

I am now fully qualified to microchip your dogs and cats.

Please book by calling 07557962584

Or text "Chip" to 07557962584 and I will contact you to book an appointment.

By 2015 all dogs must be microchipped by law so get yours done in time to save the mad rush.

## "Save a Staffie" - Margaret Greens Animal Rescue

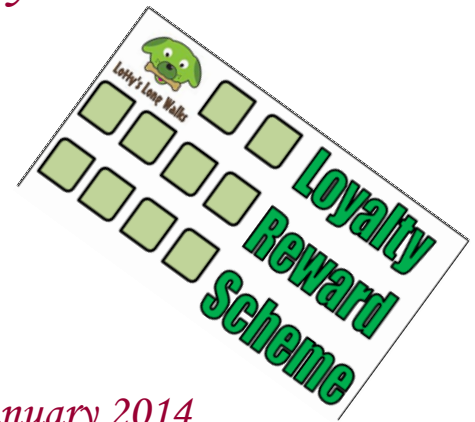

Starting in January, I will be walking Staffies for £5 and every walk I will donate a £1 to Margaret Greens for "Save a Staffie" Campaign.

As a staffy lover and owner myself this is a breed very close to my heart. Lots of staffies every year are waiting to be rehomed in animal rescues and I have had the pleasure of meeting some in our local Margaret Greens. Such a lovely breed which is sadly overlooked due to the bad publicity.

## *New things for next month: January 2014*

A few new offers for January!!

- ♥ Recommend a friend who books either 2 x 1 hour walks or a holiday booking and receive a half price walk for your dog and a FREE bag of homemade treats.

**Lotty's Long Walks**

To all my Clients Old & New,

Thank you for all your support this year! Nearly a year on from starting the business and I am extremely busy now. I have a new employee to help out called Jordan who will be full time working in camp and out of camp. I also have started Pet Microchipping and making homemade dog treats. This is going really well since starting in November!

Apologies for the price increase but I will make sure that each month is packed full of lovely offers for you all. My insurance has dramatically increased due to all the new things I am now doing. The increase was not by choice but something I have to do to cover my costs and earn a living!

Please if anybody has any holiday bookings or dates for dog walking for the New Year please message me as soon as you know them. Have been receiving a few bookings already in August/September so don't want you to miss out.

Lastly have a fantastic Christmas and Happy New Year- I am working through Christmas sitting Cats, Dogs and Rabbits. I'll see most of you in January!
